

COLES/PAISANO CONSTRUCTION UPDATES

The **Border West Expressway** is a \$600 million project which spans from Racetrack Drive to the Coles/Paisano area east of downtown El Paso. It will complete Loop 375, serve as an alternative to I-10 and will also include a toll road with a distance of approximately 5.6 miles.

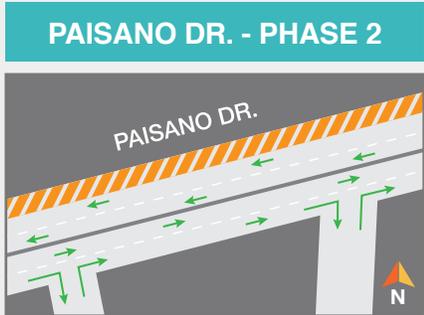

WORK AREA 1

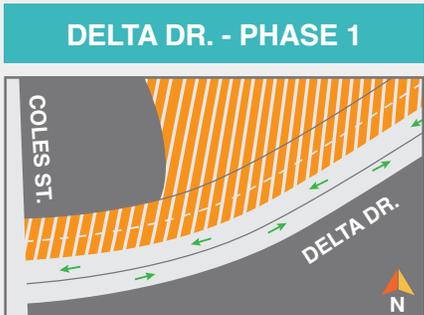

Rendering of Final Completion (subject to change)

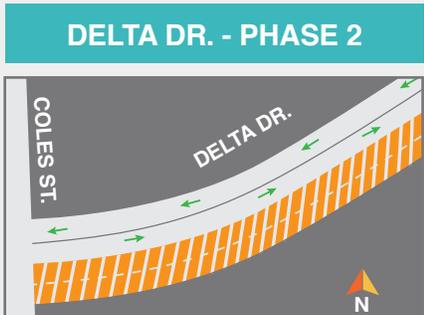

COMPLETED

Spring 2016 – Fall 2016

COMPLETED

August 8 – Spring 2017

CONSTRUCTION PHASE DETAILS:

- Area under construction during this phase.
- During the day, two traffic lanes will be open in each direction on Paisano Dr.
- No left turns will be allowed on Paisano Dr. from St. Vrain St. to Coles St. in both eastbound and westbound directions.
- Eastbound and westbound traffic on Delta Dr. will be reduced to one lane between Coles St. and Cypress Ave.

ACCESS TO LOCAL BUSINESSES WILL BE AVAILABLE DURING CONSTRUCTION.
