

CONSTRUCTION SAFETY REMINDERS

As the Border West Expressway Project moves forward, you will see more members from our team in your area. Please respect **work zone traffic signs and speed limits** to ensure your safety and the safety of our workers.

For those members in your household who are walking in this area, please use the **safe pedestrian routes** provided. It's vital to keep our families and friends safe by **respecting the work zones and following signs.**

- The maps above are the suggested safe pedestrian routes to use during construction. Walking in work zones is extremely dangerous and strictly prohibited.
